Building Plans Drawn to Scale with specifications ARE required. Most building projects are subject to the Maine Uniform Building and Energy Code. Submit Form #1, 2,3 or 4; available on Town Website. Submit scaled floor plans of your proposed building including dimensions and location of all rooms, interior and exterior walls, doors, windows, egress points, stairs, chimneys, bulkhead, location of plumbing fixtures, and any other pertinent information. Indicate areas where significant dead loads may be prominent, such as floor tiled areas, kitchen cabinets, exercise rooms, fireplaces or hearths, hot tubs, pianos or similar heavy items.

VII. Special Conditions

- Call DIG-SAFE prior to ANY excavation, it's the LAW! (888) 344-7233.
- 2.
